

EB500

Service Pack – V274.20091120

Please install EB500 V2.7.4 first.

Unzip the file to EB500 folder.

C:\EB500

EasyBuilder500.exe

xxxxxxxxx_V4.bin

[Corrections]

1. This update file is able to display EB500 window name in EB8000 after translating project.
2. Adjust MT505TV5 LCD frame.
