

Software Version : EasyBuilder X V1.01.329

New Features

1. [cMT Inspector]

Added support for inspecting HMI object properties, variables, and communication packets.

New Drivers

1. [Siemens]

Siemens Logo (Ethernet)

Software Version : EasyBuilder X V1.01.201

New Features

1. [Audit Trail] and [Audit Trail Viewer]

Audit Trail

Added support for recording user operations, system events, and data change confirmations.

ID	Time	User	Operator	static Object	Description
3	15:14:19	Administrator	Local HMI	LW-0	Value changed
2	14:14:19	Administrator	Local HMI	LW-0	Value changed
1	13:14:19	Administrator	Local HMI	LW-0	Value changed

2. [Backup Object]

Backup

Added support for backing up Data Sampling, Alarm, and Audit Trail records to a USB drive.

3. [Multi. Copy]

Added support for batch object copying and variable offset settings.

Multi. Copy

Sequence / Direction : Rows: Left to Right, Top to Bottom

Quantity : X : 2 Y : 1

Spacing : Pitch

Distance : X : 100 Y : 40

Offset Setting

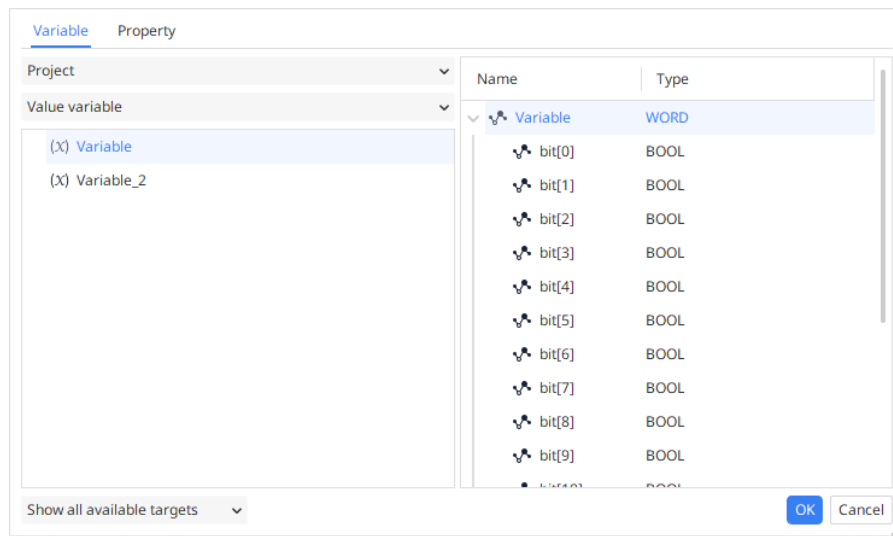

☐	Property	Offset Target	Offset Amount

* If none are checked, only the widgets will be duplicated.

OK Cancel

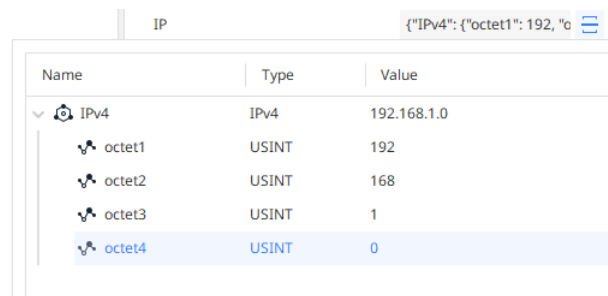

4. [Data Type]

Added support for BYTE, WORD, DWORD, and LWORD data types, with bit-level access.

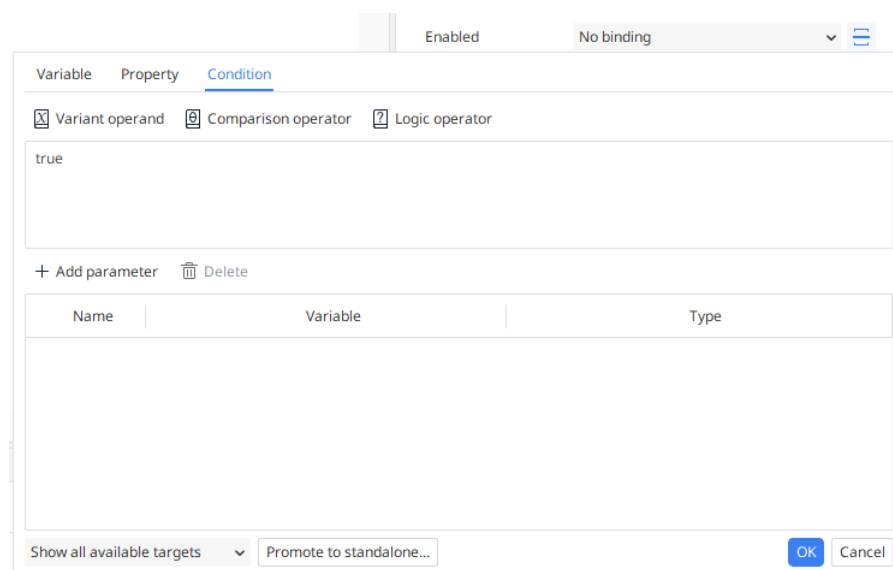

5. [Object Property]

Added support for binding individual structure members in structure-type properties.

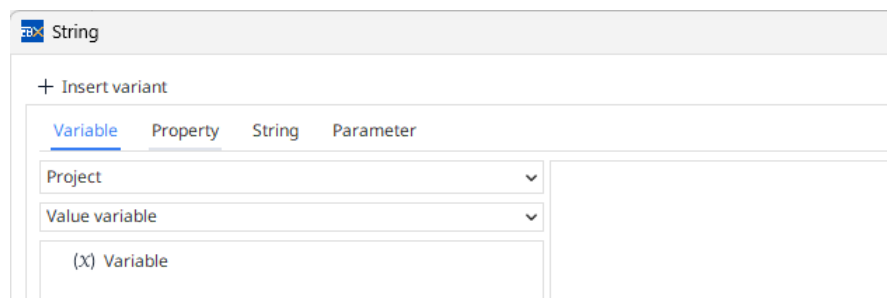

BOOL properties can be bound using conditional expressions.

6. [String Table]

Added support for inserting variants into strings to display dynamic strings on the HMI.

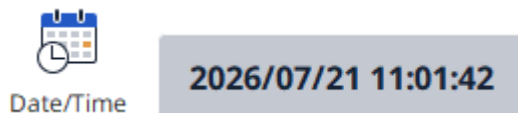

7. [Condition]

Added condition functions for different scopes.

Name	# of conditions
Application	0
Frontend	0
> Screen	--
Window	--

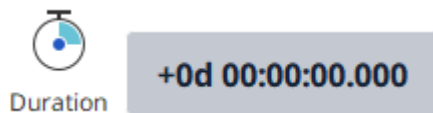

New Widgets

1. [Date/Time]

Added support for displaying time, and for use with the Backup object.

2. [Duration]

Added support for dynamic time adjustment with the Backup Object's Relative mode.

New Drivers

1. [BACnet]

BACnet IP

2. [Delta]

DELTA AS300/DVP-ES3 MODBUS TCP/IP

DELTA DVPEN01-SL (Ethernet)

3. [GE]

GE 90-30 Series (Ethernet)

4. [Inovance]

Inovance AM600 (Ethernet)

Inovance Easy Series (Ethernet)

Inovance EVO (Ethernet)

Inovance H5U MODBUS TCP/IP

Inovance H5U Series (Ethernet)

5. [Keyence]

Keyence KV-L20V/700/1000/3000/5000/7500/8000/Nano Series (Ethernet)

Keyence KV-8000 Symbolic (Ethernet)

Keyence KV-X Symbolic (Ethernet)

6. [LS]

LS XGK/XBM/XBC Series FEnet (Ethernet)

LS XGK/XBM/XBC Series Cnet

7. [Mitsubishi]

Mitsubishi iQ-R Series (Ethernet)

8. [Rockwell]

Rockwell Micro850 Tag (Ethernet)

9. [USB Device]

Barcode RFID Reader

10. [Weintek]

Weintek Remote IO (MODBUS TCP/IP)
