

July 1st, 2025

Dear partners,

Weintek hereby announces the end-of-life for the following model.

E.O.L Model	Last Order Date	Last Shipment Date	Recommended Replacement Model
MT8070iE	Sept. 30 th , 2025	Mar. 31 st , 2026	cMT2078X

After years on the market, the MT8070iE no longer meets market requirements. Weintek will discontinue it and recommend upgrading to the cMT2078X, a cMT X Standard model with the same panel cutout.

Since its launch, the cMT X series has earned strong user support. The cMT2078X inherits these advantages—combining high-performance hardware, flexible expansion, and extensive software support—making it ideal for multitasking and able to meet a broader range of industrial application needs than the MT8070iE.

Here are spec comparisons between these two models:

	E.O.L Model MT8070iE	Recommended Replacement cMT2078X
Display	7" TFT	7" TFT
Resolution	800 x 480	800 x 480
Flash	128 MB	4 GB
RAM	128 MB	1 GB
Processor	Single-core RISC	Quad-core RISC
Ethernet	10/100 Base-T x 1	LAN 1: 10/100 Base-T x 1 LAN 2: 10/100 Base-T x 1
COM Port	COM1: RS-232/RS-485 2W/4W, COM3: RS-485 2W	Con.A: COM2 RS-485 2W/4W, COM3 RS-485 2W Con.B: COM1 RS-232 4W, COM3 RS-232 2W
Dimensions WxHxD	200.3 x 146.3 x 34 mm	200.3 x 146.3 x 35.0 mm
Panel Cutout	192 x 138 mm	
Power Consumption	350mA@24VDC	820mA@24VDC
Operating Temperature	0° ~ 50°C (32° ~ 122°F)	0° ~ 55°C (32° ~ 131°F)
Certification	CE marked cULus Listed	CE marked cULus Listed

We sincerely thank you for your understanding and apologize for any inconvenience you may encounter due to the E.O.L of the affected product, and by this early notice we hope to minimize any inconvenience that this might cause. If you have any questions regarding this E.O.L announcement, please feel free to contact our sales representative. Thank you very much.
